Submission Guidelines

Young Artists Management is a Dublin based talent agency, specialising in children and young adults. We represent both newcoming and established actors, models and voice-overs aged 0-25. We are constantly searching for new talent and hold an Annual Recruitment Session in Dublin.

If you wish to be considered for interview, you must complete an Application Form (which may be downloaded from our website at: www.youngartistsmanagement.com) and mail it to our office along with a recent photograph. Please note: We do not accept applications by email.

Applicants must be under 25 years (no minimum age) and not represented by an agency. No experience is necessary.

The main photograph that you submit with your application form should clearly display the applicant's face. You may also enclose additional photographs with your application. Please note: The material submitted with your application will not be returned to you. CV's, VHS tapes and audio cassettes of your work are also welcome, but cannot be returned.

Due to the large number of submissions that we receive each year, it is simply not possible for us to interview all applicants. This decision is final and depends on a number of factors. For example, we always look for something unique in each of our clients and try to avoid recruiting artists that are similar in appearance. Applicants called for interview will be notified close to the time of our next Recruitment Session. Please do not contact us regarding the progress of your application. Each application is given careful consideration by our recruitment team.
